

Committee List

Volunteer Committee work is the lifeblood of NENA . We have many committees and subcommittees we are standing up to make our neighborhood association more representative, diverse, and inclusive, and we need your help. If you see a committee that you are interested in, please reach out to them, or to us at board@northendboise.org and we can help connect you.

Please note that not all volunteer committee members are listed under each committee.

If you need to reach a particular committee you can email board@northendboise.org or email the respective committee contact.
